

# RULES FOR A SAFE MARKET

## Queue Control

- Busy stalls should control queues with social distancing
- Shoppers should be encouraged to keep to 1.5mtrs distance while waiting to to be served

## EFTPOS

- Use EFTPOS if you have it over cash if possible
- Wipe keypad and device if handled by shopper
- If possible delegate one person to be in charge of all transactions. This person should not handle any goods

## Reduce Transmission

- Wearing a mask at all times is required
- Shoppers should be asked not to handle goods
- Stallholders should show interested buyers their goods - Goods will need to be sanitised if customers touch
- Stallholders must have sanitiser for customers to use, even then a no touch rule should apply
- Sanitise between serving shoppers
- Sneeze/Cough into elbow/shoulder
- Tent sides should be down preferably on 3 side to ensure shoppers cannot enter your stand
- Take rubbish home with you as bins will not be supplied

Baw Baw Arts Alliance thank you for your co-operation.

If we all follow the above rules then we should be able to have a good safe market.
