

2019 is the 4th year MMaD (Mixed Media and Drawing) Group has been meeting in Artspace 2 at the Trafalgar Railway Station each Tuesday to play, explore and practise their art.

Working within a supportive group of like minded people has enabled some of us to gain enough confidence to put our work on show.

An INVITATION

is extended by the MMaD Group to family, friends & members of the community to pop in and view at our collection of Mixed Media and Drawing works on 30 by 30 cm canvases.
